UCLA Staff Assembly

2019 Centennial All-Staff Picnic Recap

Thank you to all the Staff who came out to enjoy our 2019 Centennial All-Staff Picnic that was held on August 8! The Centennial All-Staff Picnic was truly a collaborative effort that would not be possible without the heartfelt efforts from a

number of departments and organizations.

This event is executed on a limited budget and over the course of two weeks, tickets were distributed on a first-come, first-serve basis to provide 5,000 lunches to staff across UCLA Campus and UCLA Health. This year approximately 6,000 individuals attended! Together we enjoyed 500 gallons of lemonade and 4,000 pounds of watermelon!

Thank you to senior leadership and Staff Assembly past presidents for joining us to show our appreciation to staff. We'd also like to extend a special thank you to all the volunteers and department representatives who generously offered their time and effort to make this social another success this year!
