UC Women's Initiative 2020

The nomination process for the 2020 Systemwide UC Women's Initiative for Professional Development (UC WI) is open!

The UC Women’s Initiative for Professional Development (UC WI) is a unique, experiential, systemwide professional development program for mid-career women that brings together participants from every UC location. Participants represent faculty, academic personnel and staff, people managers and non-people managers.

This nomination process covers two regional cohorts that are offered in Southern California during January - March and April – June of 2020. Each cohort will include 30 participants. The cost to participate is $1,925, which covers all program materials and facilitation fees.
Submit nominations using the online nomination form for the 2020 UC WI. 

The deadline for nominating candidates is October 4, 2019.

For more information regarding the UC Women's Initiative for Professional Development (UC WI) visit the UC WI website or email ucwomensinitiative@ucop.edu.

Celebrate Park(ing) Day at UCLA

Friday, September 20, 2019

Every year on the third Friday of September, there's a global movement to prioritize people over cars, converting parking spaces into public places. UCLA Transportation will add a blue and gold touch to the international event, staging its inaugural Park(ing) Day pop-up on campus.

Bruins are invited to join UCLA Transportation this Friday, September 20, as three parking spaces in Dickson Court will temporarily be transformed into a mini-park. The University's first-ever pop-up will go from 9 a.m. to 4 p.m. and
feature entertainment, activities, and refreshments.

Westwood Village is also participating, with Park(ing) Day locations at 1010 Glendon Ave from 8 a.m. to 4 p.m. and at the northwest corner of Le Conte Ave and Westwood Blvd from 8 a.m. to 1 p.m.

Come to the installations at UCLA and in Westwood and follow all the Park(ing) Day fun on UCLA Transportation's Facebook, Instagram, and Twitter.

Get a Free Bike with Earn-A-Bike!

Our popular Earn-A-Bike program is back! UCLA employees can get a free $400 bicycle package in exchange for their parking permit.

Eligible participants will receive a bike as well as a light, lock set, helmet, and Bruin Commuter Club (BCC) welcome kit. The program is designed to get employees to ride a bicycle to campus as a sustainable, economical, and healthy alternative to driving alone.
Think you live too far to bike to campus? Biking can be combined with public transit options such as a bus or train for a multi-modal commute. Learn more about how you can Earn-A-Bike and ride instead of drive!

Your Future. In Focus. Use your Benefits - 25% off

The UCLA Anderson School of Management Behavioral Lab is inviting UCLA Staff to participate to cutting-edge research in topics including judgement and decision making, consumer research and organizational behavior. The studies takes place both online and on-campus for your convenience, and you will be paid for your participation via BruinCard Deposit, Amazon gift card or cash. Register now so that you can stay informed and participate in upcoming studies.
UCLA employees working at least part-time can receive 25% off courses at UCLA Extension. Whether you want to acquire specific skills to advance your career or you’d like to explore a passion, we have a class for you.

Take courses in everything from acting to art history, education to entertainment, coding to data science, humanities to health sciences, and more. Our instructors are industry experts who bring practical knowledge and experience into the classroom. Learn online or in our Westwood, Downtown L.A., or Woodland Hills centers. Check out a free open house—in person, online or via a webinar.

- Visit our calendar for a full list of events.
- Fall Quarter begins September 23. Enroll now at uclaextension.edu.

Explore What You Want to Learn
Yes, we're talking about aging! We all are experiencing it, and we all can grow through it and benefit from it — but how?

In this 4-week class, Mitra will guide you to examine your existing beliefs, assumptions & cultural narratives about aging. The course provides practical mindfulness tools for you to experience this natural flow of life with a deeper sense of awareness, appreciation, and wonder. By befriending our aging process we can directly and positively participate in our experience of being alive. Since all of us are indeed aging, this course is open to people of all ages above 16.

**Mondays, October 7-28, 2019**
7:00 p.m. - 9:00 p.m.
Beverly Hills City Hall **LIMITED SPACE**
Fee: $200 per person
